GREETINGS

2015 Presidents Message

It is my pleasure to welcome you to the 160th Sutton Fair and Horse Show. Last year we were fortunate to have 4 days of nice weather and I am hoping for the same this year. There are going to be a few changes to this years entertainment, the pet show will now be on Sunday in hopes to attract more participants. New to the already jam packed entertainment schedule for this year is "Ruff Sports Dog Show" performing a variety of high speed dog tricks and stunts. If smoke and noise are more your thing, the monster truck show will be back performing different stunts & tricks, and as usual be sure to visit the always popular kids fun farm.

This year's theme for our 4 day event is "100 Years of 4H Ontario" and some classes have been added to the culinary arts and home craft displays to promote the theme even more, be sure to check them out in the kin hall and in the arena. An addition to craft and hobbies classes, this year a special needs class has been added. Don't forget to download the kids colouring contest picture from our website, all kids that enter the colouring contest will receive one free pass for admission to the fair.

In closing I want to thank all the members, sponsors and most of all the volunteers, who without their hard work and dedication this event would not be possible. It takes a large group of people to plan and put on this must attend summer tradition. Hope to see everyone there!

Jason Kay

2014 Senior Ambassador

Hunter MacRae

Welcome friends, family and community members; it is my pleasure to welcome you all to the 160th Sutton Fair and Horse Show, year of 4-H, on behalf of the Sutton Agricultural Society. Over this past year I have had the honour of participating in many events within the community such as the Harvest Dinner, Remembrance Day Ceremony, and the Santa Claus Parades just to name a few. I also had the privilege of attending the Fair Banquet, OAAS Convention and following the fair I will represent the Sutton Agricultural Society as I compete for the title of Ambassador of the Fairs at the Canadian National Exhibition.

Through attending these events I have gained a new appreciation for the community I live in and all of the wonderful people it is home to. My experience as the 2014-15 Sutton Fair Ambassador has been outstanding and I cannot thank you all enough for the support you have provided me with.

Now, it is time for you watch the dairy shows, scream from the top of your lungs on the midway and cheer on your favourite car during the derby as you enjoy the 160th Sutton Fair and Horse Show.

2014 Junior Ambassador

Welcome to 160th Sutton Fair and Horse Show. It has been an honour to have been the 159th Sutton Fair Jr. Ambassador. I would have to say that my favorite part of being the Jr. Ambassador was that I have made many new friends and have done many extraordinary things like attending the Harvest Dinner for the food bank, the Terry fox run, the Christmas tree lighting, the Santa Claus parades, and the Remembrance Day parades.

When I became the Jr. Fair Ambassador my message was to never give up and I feel the same way today. I am thankful for all the support and encouragement from my family, school and community over the past year and as I face new challenges and opportunities in the future. I hope that the next Ambassadors have as much fun as I did. I know that this years' fair will be great because of all the amazing people involved that come together to make it a success. Thank you for this opportunity and have a great time at the fair!

Emily Cryderman

Mayor's Message

**Mayor
Margaret Quirk**

On behalf of the Council of the Town of Georgina, I'd like to welcome everyone to the "2015 Annual Sutton Fair and Horse Show"!

For 160 years the Sutton Fair and Horse Show has brought local residents and visitors together in our community. Congratulations to the Fair Board members; their dedication and hard work is evident in every event that you will see during your visit, to the point where the end of each fair marks the beginning of the planning of the next.

The theme for this year's fair is "4-H and the 100 Year Anniversary of 4-H in Ontario". The 4-H pledge encourages clear thinking, loyalty, community service and the 4-H motto of "Learn To Do By Doing" which they have shown for the past 100 years. Whether it was the Homemaking or Livestock Clubs of the past, or the new clubs of today, 4-H has been an integral part of rural Ontario, just as country fairs like the Sutton Fair and Horse show have been.

Once again, welcome to this year's Sutton Fair and Horse Show. I'm certain that you will thoroughly enjoy time well spent here with your family, friends and neighbours, experiencing everything that a country fair has to offer!

PRIZE MONEY (for All Classes): \$50.00; \$45.00; \$40.00; \$35.00; \$30.00

Pleasure Driving Harness and Vehicle

All entries must be shown in a pleasure vehicle. A pleasure driving vehicle is defined as:

- a. An original or restored antique horse-drawn vehicle used primarily for personal transportation.
- b. A reproduction of an original antique horse-drawn vehicle used primarily for personal transportation.
- c. A new vehicle whose construction is based on a design of an antique horse-drawn vehicle used primarily for personal transportation.
- d. Wire-wheeled vehicles are prohibited. The only exception allowable, at the discretion of the show committee, are for miniature horses using small carts with wire spoke wheels and those antique vehicle types equipped with wheels having long wire spokes and hard rubber tires.

CLARIFICATION OF GAITS

The following descriptions constitute standards for performance of each of the required gaits in the various divisions of pleasure driving competition.

WALK: A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically but calmly, with even, determined steps.

SLOW TROT: This is a slow, balanced trot on a light rein in which horses' steps are shorter and lighter than in the faster gaits.

WORKING TROT: This trot is between the slow trot and the strong trot. Horses go forward on a taut, but light rein, freely and straight, while remaining balanced and unconstrained. The steps should be as even as possible with hind feet touching the ground on the prints of the forefeet.

STRONG TROT: This trot shows a clear but not excessive increase in speed and lengthening of stride, while remaining well balanced. Excessive speed will be penalized. The term used for calling this gait is "Trot On".

HALT: Horses and vehicles should be brought to a complete square stop, without abruptness or veering. At the halt, horses should stand attentive, motionless and straight, the weight evenly distributed over all four legs, and be ready to move off at the slightest indication from the driver.

REIN BACK: This is a backwards movement in which the front legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- Rein back at least four steps, unhurried, with head flexed and straight, pushing back evenly in a straight line using light contact and quiet aids.
- Move forward willingly to former position using the same quiet aids.

CLASS 7: OPEN PLEASURE DRIVING

SECTION:

1. **Pleasure Driving Turnout** - A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly and to rein back. All entries chosen for a workout are to be worked both ways of the ring at any gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 40% on performance, manners and way of going; 30% on the condition, fit and appropriateness of the harness and vehicle; 15% on the neatness and appropriateness of attire; 15% on overall impression.

Working - A pleasure driving class in which entries are judged primarily on the horse or pony to provide a pleasant drive. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly, both on the rail and while lined up, and to rein back. All drivers chosen for a workout may be worked both ways of the ring at a gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 70% on the performance, manners and way of going of the horse(s) or pony(ies); 20% of the condition of the harness and vehicle; 10% on the neatness of the attire.

2. **Gentleman to Drive**, working.
3. **Lady to Drive**, working.
4. **Junior to Drive**, working. NOTE: (This class only, Open to all vehicles) To be shown hitched to a suitable vehicle. To be shown by a boy or girl who has not reached his/her 18th birthday as of January 1st of the current year.

LLOYD SEDORE MEMORIAL TROPHY presented by Show Committee.

- 5: **Pleasure Driving Reinsmanship** - A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. Entrants are to be shown at a walk, slow trot and strong trot (trot on). Drivers shall be required to rein back. All drivers chosen for a workout may be worked at a gait requested by the judge, and may be asked to execute a figure-of-eight and perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent "feel" with the horse's mouth. Drivers should not be penalized or regarded for using one general style over another. In order to evaluate a driver's versatility, the judge may request a test involving driving with one hand. To be judged: 75% on the handling of the reins and whip, control, posture and overall appearance of driver; 25% on the condition of the harness and vehicle and neatness of the attire.
6. **Timed Obstacle** - Entrants to be driven and timed over a course of numbered obstacles consisting of cones and balls, or the equivalent. After passing the starting line, the competitor shall proceed through each obstacle, in order, to the designated Finish Line. Course faults will be assessed as penalty [five (5) seconds] and added to the driver's elapsed time. Placing will be determined on a low total basis. Ties for first will be decided by a drive-off.
7. **Scurry Obstacle** Entrants to be driven over a course of un-numbered obstacles consisting of cones and balls, or the equivalent. After passing the start from any direction, competitors shall proceed at a trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon the completion of the course, the competitor must pass through the finish from any direction, where time will be taken. A five (5) second penalty will be assessed for the disturbance (i.e., dislodging the ball), of any part of any obstacle at any time while on course. Placing will be determined on a low total basis (time plus penalty seconds). In case of a tie for first place, a drive-off will determine the winner.

WELSH CHAMPION OF CHAMPIONS QUALIFIER

The C.E.F. Welsh rules for showing are to apply for these Championships.

All ponies and cobs must be registered. The owners or lessees of the said animal must be current members in good standing with the Welsh Pony and Cob Association of Ontario. Foals of the current year must be registerable with proof of registration by the final judging. These championships are open to any registered Welsh Pony or Cob in Canada or the United States of America, provided that they meet the above-mentioned criteria for showing.

Champions will be picked from the following categories:

- 2 Year Old and Under - Colt, Filly or Gelding: Section A, B, C, and D.
- Yeld Mare/Brood Mare: Section A, B, C, and D.
- Stallion/Gelding: Section A, B, C, and D.

Judging will be done in the following manner:

The 1st Place Foal from Section A, B, C, D; the 1st Place Yearling from Section A, B, C, D; and the 1st Place 2 Year Old from Section A, B, C, D: will be judged together and the winner will be considered the 2 year old and under Champion of that particular show. This winner will be the qualifier that goes forward for the final judging at the Royal Agricultural Winter Fair in November 2015.

The same criteria will be used for the Yeld Mare/Brood Mare Division and the Stallion/Gelding Division, with the following exceptions for Sections B, C, and D only: Should the Yeld Mare/Brood Mare and/or Stallion/Gelding classes be combined at any of the qualifying shows, or should the 2 Year Old and Under class be combined, the 1st and 2nd Place ribbon winners will advance to be judged for the Best Yeld Mare/Brood Mare; Best Stallion/Gelding; or Best 2 Year Old and Under of that show.

Once an animal has qualified for the finals of the WELSH CHAMPION OF CHAMPIONS, it is no longer eligible to compete for a berth in the final qualifying class. In the regular line classes, if the pony(s) ahead of you in the placing has previously qualified for the WELSH CHAMPION OF CHAMPIONS, you are eligible to move to the qualifying class at that show. Each Champion going forward to the finals at the Royal Agricultural Winter Fair will be expected to sign a letter stating that they will be present at the Royal Agricultural Winter Fair for the final judging of the WELSH CHAMPION OF CHAMPIONS.
