2023 President's Message
Jason Kay

As the current president of the Sutton Agricultural Society it is my honour to welcome everyone back to the 166th Sutton Fair and Horse Show. This year our volunteers have some amazing attractions for visitors of all ages to see and enjoy, as well as sticking to our traditional events such as livestock and horse shows. Which seems fitting as our fairs theme this year is "From

Pioneer Days to Modern Ways" be sure to visit all the fair themed home craft entries in the arena and Kin Hall. Many hours go into planning this 4 day event which remains Georgina's biggest summer attraction, so please if you see one of the volunteers, thank them for all the time and hard work they have done to make this event as successful as it is. I myself cannot thank the volunteers enough as they are the backbone of this fair and every year it makes me truly proud to be part of it. Please come out and soak up the fun and excitement and I hope to see everyone there!

2022 Senior Ambassador
Abbie Velocci

As my duties sadly come to an end in this role, I reflect upon the last decade in how I have participated in our annual summer fair. From volunteering, to a chairperson, a committee member, senior-runner up and now, the 2022/23 Sutton Fair Senior Fair Ambassador. For those unaware, I completed my last year at Trent University while holding the title of Ambassador. I now have a Bachelor's in

Environmental Resource Management Sc/St., specializing in ag and climate policy. I am pursuing a dream in Environment Conservation and Law Enforcement, and, as Ambassador, I have been consistently reminded that school comes first. Luckily, I did manage to squeeze some time in to attend events such as the Sutton Parade of Lights, the O.A.A.S Annual Convention, the municipal election, and the annual dinner.

At the height of this journey, I am proud to say that I am a first-generation Ambassador graduate, and volunteer. Which is why I want to take the opportunity to encourage our community's youth and promote participation in agricultural fairs. There are endless opportunities; try something new! Ask questions, pet a cow or make a duct tape sculpture. My four days at the fair were scorching. Still, I had a fantastic time sharing my experience with the junior ambassador and runner-ups while making new friends, trying fresh foods and watching some entertainment acts, with my favourite parts being the horse shows and derby. Despite the pandemic, the first official fair back was a hit, and I applaud the team, who

adapted and conquered, worked several hours and weekends coming back full fledged. In staying true to the agricultural generations and significant past, while accepting new ideas and visions equally represents this year's fair theme, "From Pioneer Days to Modern Ways."

I am more than eager to attend the Canadian National Exhibition, Ambassador of the Fairs competition and the 166th Sutton Fair and Horse Show. Moreso, extremely ambitious to meet our 2023-2024 junior and senior ambassadors. I want to thank all of you, the visitors, exhibitors, volunteers and our outstanding Board of Directors for working to bring our community together. One more big thank you for accepting me as apart of the team.

Well, it has truly been an honour and a privilege to have fulfilled this role. The skills I have gained, the people I have met, and the memories will be cherished forever, and if you see me around the fairgrounds, come say hi!

2022 Junior Ambassador
Makenna Coates

Hello, I'm Makenna Coates if you don't know me I'm the 2022 jr ambassador and I want to tell you all about the experiences I had been able to do. First I want to give a huge thanks you to all the volunteers who helped make the fair possible this year!! Some of my highlights of the weekend where, meeting up at the kin hall each morning to get prepared for a long day of fun!!!! Presenting the awards to all the people from the 4H sheep club, doing the chicken dance and the Macarena in the middle of

the derby field and last but not least seeing all the behind the scenes work that really go's into the fair year after year! Winning the Jr ambassador has been the experience of a life time! Thanks again to everyone who makes the Sutton fair possible!!!

2023 Mayor's Message
Margaret Quirk

On behalf of Georgina Town Council, welcome to the Sutton Fair and Horse Show! The annual Sutton Fair is a summer highlight for many, and a long standing tradition in our community. From the rides, games, livestock competitions, tasty food, entertainment, vendors and so many family friendly activities – there are so many things for residents and visitors to enjoy. We also have our annual favourites including the baby contest, musical performances, frog jumping contest,

demolition derby and the Sutton Fair Ambassador Competition. The theme for this year's fair is 'From Pioneer Days to Modern Ways' which reminds us to look back at how this fair and our community has evolved over the years. Each year the Sutton Fair brings our community together for a wonderful celebration whether you are young or young at heart. Thank you to the volunteers and the many groups who work tirelessly to make this happen. Enjoy the Fair!

Prize Money:

\$50.00; \$45.00; \$40.00; \$35.00; \$30.00

Pleasure Driving Harness and Vehicle

All entries must be shown in a pleasure vehicle. A pleasure driving vehicle is defined as:

- a. An original or restored antique horse-drawn vehicle used primarily for personal transportation.
- b. A reproduction of an original antique horse-drawn vehicle used primarily for personal transportation.
- c. A new vehicle whose construction is based on a design of an antique horse-drawn vehicle used primarily for personal transportation.

- d. Wire-wheeled vehicles are prohibited. The only exception allowable, at the discretion of the show committee, are for miniature horses using small carts with wire spoke wheels and those antique vehicle types equipped with wheels having long wire spokes and hard rubber tires.

Clarification of Gaits:

The following descriptions constitute standards for performance of each of the required gaits in the various divisions of pleasure driving competition.

Walk

A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically but calmly, with even, determined steps.

Slow Trot

This is a slow, balanced trot on a light rein in which horses' steps are shorter and lighter than in the faster gaits.

Working Trot

This trot is between the slow trot and the strong trot. Horses go forward on a taut, but light rein, freely and straight, while remaining balanced and unconstrained. The steps should be as even as possible with hind feet touching the ground on the prints of the forefeet.

Strong Trot

This trot shows a clear but not excessive increase in speed and lengthening of stride, while remaining well balanced. Excessive speed will be penalized. The term used for calling this gait is "Trot On".

Halt

Horses and vehicles should be brought to a complete square stop, without abruptness or veering. At the halt, horses should stand attentive, motionless and straight, the weight evenly distributed over all four legs, and be ready to move off at the slightest indication from the driver.

Rein Back

This is a backwards movement in which the front legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- Rein back at least four steps, unhurried, with head flexed and straight, pushing back evenly in a straight line using light contact and quiet aids.
- Move forward willingly to former position using the same quiet aids.

Sections:

1. **Pleasure Driving Turnout** - A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly and to rein back. All entries chosen for a workout are to be worked both ways of the ring at any gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 40% on performance, manners and way of going; 30% on the condition, fit and appropriateness of the harness and vehicle; 15% on the neatness and appropriateness of attire; 15% on overall impression.
Working - A pleasure driving class in which entries are judged primarily on the horse or pony to provide a pleasant drive. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly, both on the rail and while lined up, and to rein back. All drivers chosen for a workout may be worked both ways of the ring at a gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 70% on the performance, manners and way of going of the horse(s) or pony(ies); 20% of the condition of the harness and vehicle; 10% on the neatness of the attire
2. **Gentlemen to Drive**, working.
3. **Lady to Drive**, working.
4. **Junior to Drive**, working. Note: This class only, Open to all vehicles. To be shown hitched to a suitable vehicle. To be shown by a boy or girl who has not reached his/her 18th birthday as of January 1st of the current year.
5. **Pleasure Driving Reinsmanship** - A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. Entrants are to be shown at a walk, slow trot and strong trot (trot on). Drivers shall be required to rein back. All drivers chosen for a workout may be worked at a gait requested by the judge, and may be asked to execute a figure-of-eight and perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent "feel" with the horse's mouth. Drivers should not be penalized or regarded for using one general style over another. In order to evaluate a driver's versatility, the judge may request a test involving driving with one hand. To be judged: 75% on the handling of the reins and whip, control, posture and overall appearance of driver; 25% on the condition of the harness and vehicle and neatness of the attire.

6. **Timed Obstacle** - Entrants to be driven and timed over a course of numbered obstacles consisting of cones and balls, or the equivalent. After passing the starting line, the competitor shall proceed through each obstacle, in order, to the designated Finish Line. Course faults will be assessed as penalty [five (5) seconds] and added to the driver's elapsed time. Placing will be determined on a low total basis. Ties for first will be decided by a drive-off.
7. **Scurry Obstacle** - Entrants to be driven over a course of unnumbered obstacles consisting of cones and balls, or the equivalent. After passing the start from any direction, competitors shall proceed at a trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon the completion of the course, the competitor must pass through the finish from any direction, where time will be taken. A five (5) second penalty will be assessed for the disturbance (i.e., dislodging the ball), of any part of any obstacle at any time while on course. Placing will be determined on a low total basis (time plus penalty seconds). In case of a tie for first place, a drive-off will determine the winner.

Cowboy Boots and Freckles

Pioneers were such treasures.
They certainly paved the way
Many diverse kinds of folks
But were different back in the day

Some had strong and firm directions
and others just moseyed along
Took the day as it came to them
Whistling a cowboy song

But the farmers worked so hard
Out in broken fields
Plantin' their crops night and day
Prayin' they'd have a good yield

Duistry and dirty every single day
Walking behind that old plow
They sure spent plenty of time
Wiping the sweat off their furrowed brow

Let's not forget the women, folks
Not only did they work the fields
Cooking, cleaning and raising kids
For a family, they needed to build

Let's celebrate the pioneers, okay?
And never forget what they've done
They shaped the world for progress
And I'll tell you, it was not always fun!
