This rule will not be enforced unless absolutely necessary.
16. The Society reserves the right and power, without previous notice, to alter, suspend either temporarily or permanently or to delete, entirely all or any of the foregoing Rules and Regulations, when in the unanimous opinion of the Society Executive, such alteration, suspensions or deletions may be considered for the

2024 President's Message Jaclyn Grossi

On behalf of the Sutton Agricultural Society, it is my pleasure to extend a warm welcome to everyone for the 167th Sutton Fair and Horse Show! Every year I am amazed by the countless volunteers who put in hundreds of hours to create a memorable event for our community, and this year is no exception. We

cannot wait for you to see what we have been working on, welcome back some old favourites, and introduce some new attractions.

This year's fair promises to be an unforgettable experience, filled with our traditional livestock displays and horse shows, thrilling competitions, beautiful homecraft entries in the Kin Hall and Sutton Arena, mouthwatering treats, and family-friendly entertainment that will keep you busy all 4 days! Our theme, "From Wagon Wheels to Ferris Wheels" reminds us to appreciate our roots and continue to look for innovative ways to bring families of Georgina together for the best weekend of the summer. None of this would happen without our volunteers; if you see one of them this summer, please take a moment to thank them for their hard work! I couldn't be prouder to be apart of this team of volunteers myself!

Mark your calendars for August 8-11, 2024, and come join the fun! We can't wait to see you all there!

2023 Senior Ambassador Ryanne MacNeill

As the 2023, Sutton Fair Ambassador, I can't believe that it is already that time of year for me to welcome you to the 166th Sutton fair and horse show. When I was crowned the ambassador I had the opportunity to see a new view of the Sutton fair. I had always gone to have fun and watch the shows but as fair ambassador I

got to see how much hard work and effort got into the fair. How dedicated individuals are to make each visitor see what makes our community so wonderful.

When you step foot on the fair grounds, the possibilities are endless; from rides, to animal shows, to games and much more! Most importantly the fair is full of people who come together and work extremely hard to make it possible for the Sutton Fair to continue to be a staple in our society. The fair creates memories, laughter and a place that each person can look forward to going to each year.

During the year I have had the honour, to represent this community and the people who live in it with pride as I participated in a variety of events: doing the puck drop at

the Georgina ice home opener, participating in community events such as the opening of the Georgina MURC, getting the privilege to sit along side fellow ambassadors and learning more about agricultural societies. Most importantly every time I put on my sash, I am representing each and every individual, who has taken many hours of their time, and put it in to something good. I am beyond excited to finish out the year strong, and get to wear the sash one last time as I compete in the 2024 CNE Ambassador competition. Now that I have been able to be a part of something this special, I will always continue to speak up, represent and hope to be the kind of volunteer you all are, even long after I hang up my sash. That being said, I hope that each individual is able to make lasting memories at the upcoming fair, as smiles stay on their face all weekend, fair food warms their bellies, they loose their voice from screaming on the rides, and they get to join me in being proud of the place we call home.

2023 Junior Ambassador Clara Koning

Hi, I'm Clara Koning, the 2023 Jr. Ambassador. I look forward to the Sutton Fair every year. I have gone to this fair every year, even as a baby. I was so excited to run for Junior Ambassador in 2023 and I was so shocked to have won the competition. It was an amazing experience. Some of my highlights of the weekend were watching the

derby, handing out different awards, watching and handing out ribbons at the pet show, going on rides and enjoying delicious food! As Ambassador, I was expected to do all this, but what I didn't expect was to have so much fun being there every day, meeting the amazing volunteers and making many new friends. I'm sad that it's over, but I'm so grateful to have experienced this and I hope to run for Sr. Ambassador when I'm older! Thanks to everyone who helps with the fair and makes it possible!

The General Rules of the Sutton Agricultural Society shall apply.

NEW Pre-registration by July 21st is strongly encouraged, in order to not pay the late entry fee. Prize Money:

\$50.00; \$45.00; \$40.00; \$35.00; \$30.00

Pleasure Driving Harness and Vehicle

All entries must be shown in a pleasure vehicle. A pleasure driving vehicle is defined as:

- a. An original or restored antique horse-drawn vehicle used primarily for personal transportation.
- b. A reproduction of an original antique horse-drawn vehicle used primarily for personal transportation.
- c. A new vehicle whose construction is based on a design of an antique horse-drawn vehicle used primarily for personal transportation.

- d. Wire-wheeled vehicles are prohibited. The only exception allowable, at the discretion of the show committee, are for miniature horses using small carts with wire spoke wheels and those antique vehicle types equipped with wheels having long wire spokes and hard rubber tires.

Clarification of Gaits:

The following descriptions constitute standards for performance of each of the required gaits in the various divisions of pleasure driving competition.

Walk

A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically but calmly, with even, determined steps.

Slow Trot

This is a slow, balanced trot on a light rein in which horses' steps are shorter and lighter than in the faster gaits.

Working Trot

This trot is between the slow trot and the strong trot. Horses go forward on a taut, but light rein, freely and straight, while remaining balanced and unconstrained. The steps should be as even as possible with hind feet touching the ground on the prints of the forefeet.

Strong Trot

This trot shows a clear but not excessive increase in speed and lengthening of stride, while remaining well balanced. Excessive speed will be penalized. The term used for calling this gait is "Trot On".

Halt

Horses and vehicles should be brought to a complete square stop, without abruptness or veering. At the halt, horses should stand attentive, motionless and straight, the weight evenly distributed over all four legs, and be ready to move off at the slightest indication from the driver.

Rein Back

This is a backwards movement in which the front legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- Rein back at least four steps, unhurried, with head flexed and straight, pushing back evenly in a straight line using light contact and quiet aids.
- Move forward willingly to former position using the same quiet aids.

Sections:

1. **Pleasure Driving Turnout** - A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly and to rein back. All entries chosen for a workout are to be worked both ways of the ring at any gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 40% on performance, manners and way of going; 30% on the condition, fit and appropriateness of the harness and vehicle; 15% on the neatness and appropriateness of attire; 15% on overall impression.
Working - A pleasure driving class in which entries are judged primarily on the horse or pony to provide a pleasant drive. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly, both on the rail and while lined up, and to rein back. All drivers chosen for a workout may be worked both ways of the ring at a gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 70% on the performance, manners and way of going of the horse(s) or pony(ies); 20% of the condition of the harness and vehicle; 10% on the neatness of the attire
2. **Gentlemen to Drive**, working.
3. **Lady to Drive**, working.
4. **Junior to Drive**, working. Note: This class only, Open to all vehicles. To be shown hitched to a suitable vehicle. To be shown by a boy or girl who has not reached his/her 18th birthday as of January 1st of the current year.
5. **Pleasure Driving Reinsmanship** - A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. Entrants are to be shown at a walk, slow trot and strong trot (trot on). Drivers shall be required to rein back. All drivers chosen for a workout may be worked at a gait requested by the judge, and may be asked to execute a figure-of-eight and perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent "feel" with the horse's mouth. Drivers should not be penalized or regarded for using one general style over another. In order to evaluate a driver's versatility, the judge may request a test involving driving with one hand. To be judged: 75% on the handling of the reins and whip, control, posture and overall appearance of driver; 25% on the condition of the harness and vehicle and neatness of the attire.

6. **Timed Obstacle** - Entrants to be driven and timed over a course of numbered obstacles consisting of cones and balls, or the equivalent. After passing the starting line, the competitor shall proceed through each obstacle, in order, to the designated Finish Line. Course faults will be assessed as penalty [five (5) seconds] and added to the driver's elapsed time. Placing will be determined on a low total basis. Ties for first will be decided by a drive-off.
7. **Scurry Obstacle** - Entrants to be driven over a course of unnumbered obstacles consisting of cones and balls, or the equivalent. After passing the start from any direction, competitors shall proceed at a trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon the completion of the course, the competitor must pass through the finish from any direction, where time will be taken. A five (5) second penalty will be assessed for the disturbance (i.e., dislodging the ball), of any part of any obstacle at any time while on course. Placing will be determined on a low total basis (time plus penalty seconds). In case of a tie for first place, a drive-off will determine the winner.

"I can't describe just how I feel,
when I go around on a Ferris wheel,
the lights, they shine so bold and bright,
above the carnival grounds tonight.

My mood is uplifted into the air,
as my heart beats without a care,
I feel so free, as if I could fly,
with nothing between the ground and I.

The cool night wind flows in my hair,
the people look so small, way down there,
I hold my breath as I go over the top,
a feeling, surreal, I don't want to stop.

As fear escapes and I enjoy the ride,
I can't help but look down, over the side,
I am up among the stars and the moon,
an exciting feeling that ends, all too soon."
