GREETINGS

President's Message

Welcome to the 157th year of the Sutton Fair and Horse Show on August 9th, 10th, 11th and 12th, 2012.

As I start into my second year as President of the Sutton Fair, I look forward to the community involvement that makes our Fair one of the biggest attractions to the town.

The Fair is an annual event that both young and old look forward to each year.

The dedication and hard work from all of the volunteers and members is rewarding and it is because of them that we have the best possible shows for your entertainment pleasure. When attending the fair this year, remember to enjoy all the exhibits and activities such as the Truck and Tractor Pull, the Demolition Derby, the Midway and the Livestock shows. We should always maintain a focus on the Agricultural Industry and its place in the founding of our country and the role this industry plays in our everyday life. Agriculture being the backbone of our country, is why so many small country fairs were established, so farmers could exhibit their vegetables, field crops and livestock.

It is important to take time to thank those who have helped to make this fair a success. I extend a very heartfelt Thank You to everyone.

Also, Special Thanks to my family for all your help in allowing me the time to put into the Fair, over the past few years.

It is my honor to serve as the 2012 President for the Sutton Fair & Horse Show.

Jim Lockie

President, Sutton Agricultural Society

2011 Sutton Fair Ambassador

Wow, what an exciting year it has been! On behalf of the Sutton Agricultural Society I would like to welcome you to the 157th Sutton Fair and Horse Show.

This year has gone by so fast and I cannot believe that it is Fair Time again! It seems like just yesterday I was crowned as the 2011 Fair ambassador. This past year as ambassador has gone by so fast and I have had so much fun and pride representing our Fair and Agricultural Society.

As the Sutton Fair Ambassador I have had the amazing opportunity of meeting many new and amazing people. I have developed a greater appreciation and understanding of all of the things agriculture has to offer. The experiences I have had over the last year and representing our Fair at the OASS has only installed a greater appreciation of what our town and agricultural society have to offer.

I would like to thank all of the people that have been there to support and help me over the last year, as well as all of the volunteers that help to make the Sutton Fair and Horse Show possible. I am so proud to be representing such an unbelievable community and agricultural society.

Again I welcome you to this years' fair

Sara Simmons

2011 Junior Sutton Fair Ambassador

Hello, my name is Pearl McLean, Junior Ambassador for 2011.

The fair has something for everyone, including the horse pull, demolition derby, tractor pull, and baby show. As well, there are competitions for farm animals, which means I had the opportunity to hand out many ribbons to cute calves and big horses. Last year the weather was great and I had a fabulous time representing the Sutton Fair. Thank you to all the volunteers and to the Sutton Fair and Horse Show committee for all your hard work. I am very happy to introduce you to the 2012 Sutton Fair and Horse Show.

Pearl McLean

Mayor's Message

On behalf of the residents of the Town of Georgina and the rest of council, it is my pleasure to bring greetings to everyone associated with The Sutton Fair and Horse Show. Every year a dedicated group of volunteers amaze us in producing another fabulous event. Whether its the screams of excitement on the midway or the thrill of a ribbon for your handiwork, there is always plenty to do at the fair. So if you get a chance please say thank you to one of the many volunteers that make this annual Fair and Horse Show the success that it is.

Mayor Robert Grossi

All entries must be shown in a pleasure vehicle. A pleasure driving vehicle is defined as:

- b. A reproduction of an original antique horse-drawn vehicle used primarily for personal transportation.
- c. A new vehicle whose construction is based on a design of an antique horse-drawn vehicle used primarily for personal transportation.
- d. Wire-wheeled vehicles are prohibited. The only exception allowable, at the discretion of the show committee, are for miniature horses using small carts with wire spoke wheels and those antique vehicle types equipped with wheels having long wire spokes and hard rubber tires.

CLARIFICATION OF GAITS

The following descriptions constitute standards for performance of each of the required gaits in the various divisions of pleasure driving competition.

- WALK:** A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically but calmly, with even, determined steps.
- SLOW TROT:** This is a slow, balanced trot on a light rein in which horses' steps are shorter and lighter than in the faster gaits.
- WORKING TROT:** This trot is between the slow trot and the strong trot. Horses go forward on a taut, but light rein, freely and straight, while remaining balanced and unconstrained. The steps should be as even as possible with hind feet touching the ground on the prints of the forefeet.
- STRONG TROT:** This trot shows a clear but not excessive increase in speed and lengthening of stride, while remaining well balanced. Excessive speed will be penalized. The term used for calling this gait is "Trot On".
- HALT:** Horses and vehicles should be brought to a complete square stop, without abruptness or veering. At the halt, horses should stand attentive, motionless and straight, the weight evenly distributed over all four legs, and be ready to move off at the slightest indication from the driver.
- REIN BACK:** This is a backwards movement in which the front legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:
- Rein back at least four steps, unhurried, with head flexed and straight, pushing back evenly in a straight line using light contact and quiet aids.
 - Move forward willingly to former position using the same quiet aids.

CLASS 7: OPEN PLEASURE DRIVING

SECTION:

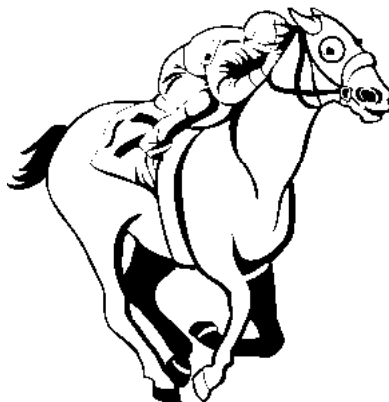

1. **Pleasure Driving Turnout** - A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly and to rein back. All entries chosen for a workout are to be worked both ways of the ring at any gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 40% on performance, manners and way of going; 30% on the condition, fit and appropriateness of the harness and vehicle; 15% on the neatness and appropriateness of attire; 15% on overall impression.

Working - A pleasure driving class in which entries are judged primarily on the horse or pony to provide a pleasant drive. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly, both on the rail and while lined up, and to rein back. All drivers chosen for a workout may be worked both ways of the ring at a gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 70% on the performance, manners and way of going of the horse(s) or pony(ies); 20% of the condition of the harness and vehicle; 10% on the neatness of the attire.

2. **Gentleman to Drive**, working.
3. **Lady to Drive**, working.
4. **Junior to Drive**, working. NOTE: (This class only, Open to all vehicles) To be shown hitched to a suitable vehicle. To be shown by a boy or girl who has not reached his/her 18th birthday as of January 1st of the current year.

LLOYD SEDORE MEMORIAL TROPHY presented by Show Committee.

- 5: **Pleasure Driving Reinsmanship** - A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. Entrants are to be shown at a walk, slow trot and strong trot (trot on). Drivers shall be required to rein back. All drivers chosen for a workout may be worked at a gait requested by the judge, and may be asked to execute a figure-of-eight and perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent "feel" with the horse's mouth. Drivers should not be penalized or regarded for using one general style over another. In order to evaluate a driver's versatility, the judge may request a test involving driving with one hand. To be judged: 75% on the handling of the reins and whip, control, posture and overall appearance of driver; 25% on the condition of the harness and vehicle and neatness of the attire.
6. **Timed Obstacle** - Entrants to be driven and timed over a course of numbered obstacles consisting of cones and balls, or the equivalent. After passing the starting line, the competitor shall proceed through each obstacle, in order, to the designated Finish Line. Course faults will be assessed as penalty [five (5) seconds] and added to the driver's elapsed time. Placing will be determined on a low total basis. Ties for first will be decided by a drive-off.
7. **Scurry Obstacle** Entrants to be driven over a course of un-numbered obstacles consisting of cones and balls, or the equivalent. After passing the start from any direction, competitors shall proceed at a trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon the completion of the course, the competitor must pass through the finish from any direction, where time will be taken. A five (5) second penalty will be assessed for the disturbance (i.e., dislodging the ball), of any part of any obstacle at any time while on course. Placing will be determined on a low total basis (time plus penalty seconds). In case of a tie for first place, a drive-off will determine the winner.

Carol Lockie's Strawberry Pie Recipe

4 cups, fresh strawberries
2 tablespoons flour
½ cup white sugar
1/8 teaspoon salt

1 teaspoon lemon juice
1 tablespoon butter
Pastry for 2 crust - 9" pie

Line 9" pie plate with plain pastry. Mix together flour, sugar and salt. Sprinkle ¼ of mixture on uncooked bottom crust; add strawberries; add remainder of sugar mixture; sprinkle with lemon juice; and dot with butter. Adjust top crust. Bake in hot oven, 450 F for 15 minutes; reduce heat to 350 F; continue baking until berries are tender. Serves 6-8

I like to toss strawberries with sugar mixture and put in pie plate rather than following the recipe for filling the pie pastry.

"To build future rural leaders through self help and community betterment"

Come out and join York Junior Farmers!

Website: www.jfao.on.ca · **Email:** yorkjf@jfao.on.ca

JFAO provides opportunities for young people age 15-29 of all backgrounds, but especially those in rural Ontario, to take on the challenge of exploring their individual talents and potential to develop personally while being involved in bettering their communities, networking, and having fun. Members across the province have the opportunity to participate in exchanges with seven countries and two provinces, as well as provincial sport, cultural, and skills competitions. Leadership Camp, Workshops, Conferences, and the Ontario Young Farmers Forums round out JFAO's personal development opportunities, not including the many locally organized interclub events and dances. JFAO also works with the Ontario Federation of Agriculture, 4-H Ontario, Royal Agricultural Winter Fair, and its own alumni to further increase the opportunities for youth in Ontario. Each year members collectively donate upwards of \$50,000 to charitable projects across the province, along with countless hours of volunteer service. JFAO is a charitable organization funded solely with the support of members, donors and sponsors, including the Dairy Farmers of Ontario, OFA, and the Canadian International Farm Show. Glossary of Terms

- Digital Imaging is the terms used for pictures created by digital camera, where file is not used. Thus the term digital images or pictures are interchangeable for this contest where both systems are allowed, film & digital.
- Please note: Many fairs throughout the Province offer this contest to their fair visitors, in order to create entries for OAAS contest. This is encouraged and a great idea, as it helps promote your fair. Just remember, submit only one entry per category to the OAAS CONTEST.
- Something "NEW" is the use of digital camera image. To simplify viewing at the fair level have the Digital images submitted to you as 4x6 prints--which is not expensive, if it is difficult to obtain the use of a computer for judging.
- For the OAAS contest submit the downloaded C.D, and prints of each image.
