GREETINGS

2019 Presidents Message

Wendy Page

On behalf of the Sutton Agricultural Society, I would like to welcome you to the 164th Sutton Fair and Horse Show. This year's theme is "We Have a Good Thing Growing". I encourage you to not only take in the usual attractions at the Sutton Fair, but take some time to enjoy the agricultural aspects to our fair. We have; livestock displays, many horse shows, sheep show, cattle shows and displays.

The Sutton Fair and Horse Show is Georgina's largest annual event. It is organized by a group of dedicated volunteers who work year round planning these four days in August. If you see one of the volunteers make sure to take a moment to thank them because without the volunteers in our community, we wouldn't have had that Agricultural Fair in our town for the past 164 years. I hope to see you at the Sutton Fair and Horse Show again this year!

2018 Senior Ambassador

Emma Somerville

On behalf of the Sutton Agricultural Society, it is my honour to welcome you to the 164th Sutton Fair and Horse Show. Time truly has flown while having fun during this past year representing the Sutton Fair as Ambassador. This experience has been like nothing else and I feel privileged to have had the opportunity to represent such an amazing community and agricultural society. I believe that events like the Sutton Fair as well as events that I was able to attend throughout the year are what make our community such an amazing place to live. The Sutton Fair has been a staple of my summers for a very long time and this has allowed me the opportunity to participate in the fair in a completely new way. I truly encourage everyone to get involved with the fair, as it has brought nothing but joy and new friendships to my life, something for which I am very grateful. While my year as Ambassador has come to an end, I am able to look forward to representing our wonderful community and agricultural society at this years 2019 CNE Ambassador of Fairs competition.

2018 Junior Ambassador

Julia Gobio

As the Sutton Fair Junior Ambassador, I would like to invite you to enjoy all that the164th Sutton Fair and Horse Show has to offer! I have enjoyed my time this past year participating in all the different experiences that this opportunity has offered me. As the Junior Ambassador, I had the chance to hand out ribbons at various shows including the babies. I was up close and personal with the Demo Derby and I also got to have a chinchilla on my head from the Petting Zoo. I was also involved with community events such as Remembrance Day Parade, the Fair banquet and the Santa Claus Parade. I loved all the smiling faces at the Santa Claus parade, it is a memory I will always remember. Being the Junior Ambassador has opened so many doors for me, allowing my public speaking to take me to new and interesting places. I would like to thank the Sutton Agricultural Society and all the people who made my experience memorable. This year's theme is "We Have a Good Thing Growing" and I think I can say I am a living testament to the fair growing good things in Sutton for years to come.

2019 Mayor's Message

Margaret Quirk

On behalf of the Town of Georgina and Council, I am pleased to welcome everyone to the 164th Sutton Fair and Horse Show. The theme for this years fair is "We Have a Good Thing Growing" and here in Georgina, we certainly do! We have an extensive farming community in this town, with many farms having been family owned and operated for more than half a century! Not only is it the working farms that produce food and flowers, but many individuals get in the 'growing spirit' as evidenced by the submissions in the annual vegetable and flower competitions!

There is so much to see and do at the fair. There are many competitions in various forms - everything from livestock, arts and crafts and photography, to horse and tractor pulls and a demolition derby! There is no shortage of entertainment! You can enjoy musical performances, horse and cattle shows, a baby contest and the Sutton Fair Ambassador competition. The midway offers games of skill and chance and rides to thrill and excite you!

The annual Sutton Fair and Horse Show is highly anticipated each year and lots of fun for everyone! Once again, welcome and enjoy the 164th Sutton Fair and Horse Show!

PRIZE MONEY (for All Classes): $50.00; $45.00; $40.00; $35.00; $30.00

Pleasure Driving Harness and Vehicle

All entries must be shown in a pleasure vehicle. A pleasure driving vehicle is defined as:

a. An original or restored antique horse-drawn vehicle used primarily for personal transportation.
b. A reproduction of an original antique horse-drawn vehicle used primarily for personal transportation.
c. A new vehicle whose construction is based on a design of an antique horse-drawn vehicle used primarily for personal transportation.
d. Wire-wheeled vehicles are prohibited. The only exception allowable, at the discretion of the show committee, are for miniature horses using small carts with wire spoke wheels and those antique vehicle types equipped with wheels having long wire spokes and hard rubber tires.

CLARIFICATION OF GAITS

The following descriptions constitute standards for performance of each of the required gaits in the various divisions of pleasure driving competition.

WALK: A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically but calmly, with even, determined steps.

SLOW TROT: This is a slow, balanced trot on a light rein in which horses' steps are shorter and lighter than in the faster gaits.

WORKING TROT: This trot is between the slow trot and the strong trot. Horses go forward on a taut, but light rein, freely and straight, while remaining balanced and unconstrained. The steps should be as even as possible with hind feet touching the ground on the prints of the forefeet.

STRONG TROT: This trot shows a clear but not excessive increase in speed and lengthening of stride, while remaining well balanced. Excessive speed will be penalized. The term used for calling this gait is "Trot On".

HALT: Horses and vehicles should be brought to a complete square stop, without abruptness or veering. At the halt, horses should stand attentive, motionless and straight, the weight evenly distributed over all four legs, and be ready to move off at the slightest indication from the driver.

REIN BACK: This is a backwards movement in which the front legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts:

- Rein back at least four steps, unhurried, with head flexed and straight, pushing back evenly in a straight line using light contact and quiet aids.
- Move forward willingly to former position using the same quiet aids.

CLASS 7: OPEN PLEASURE DRIVING

SECTION:

1. **Pleasure Driving Turnout** - A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly and to rein back. All entries chosen for a workout are to be worked both ways of the ring at any gait requested by the Judge and may be asked to execute a figure-of-eight. To be judged: 40% on performance, manners and way of going; 30% on the condition, fit and appropriateness of the harness and vehicle; 15% on the neatness and appropriateness of attire; 15% on overall impression.

   Working - A pleasure driving class in which entries are judged primarily on the horse or pony to provide a pleasant drive. Entrants are to be shown both ways of the ring at a walk, slow trot, working trot and strong trot (trot on); to stand quietly, both on the rail and while lined up, and to rein back. All drivers chosen for a workout may be worked both ways of the ring at a gait requested by the Judge and may be asked to execute a figure-of-eight.To be judged: 70% on the performance, manners and way of going of the horse(s) or pony(ies); 20% of the condition of the harness and vehicle; 10% on the neatness of the attire.

5: **Pleasure Driving Reinsmanship** - A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. Entrants are to be shown at a walk, slow trot and strong trot (trot on). Drivers shall be required to rein back. All drivers chosen for a workout may be worked at a gait requested by the judge, and may be asked to execute a figure-of-eight and perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent “feel” with the horse’s mouth. Drivers should not be penalized or regarded for using one general style over another. In order to evaluate a driver’s versatility, the judge may request a test involving driving with one hand. To be judged: 75% on the handling of the reins and whip, control, posture and overall appearance of driver; 25% on the condition of the harness and vehicle and neatness of the attire.

6. **Timed Obstacle** - Entrants to be driven and timed over a course of numbered obstacles consisting of cones and balls, or the equivalent. After passing the starting line, the competitor shall proceed through each obstacle, in order, to the designated Finish Line. Course faults will be assessed as penalty [five (5) seconds] and added to the driver’s elapsed time. Placing will be determined on a low total basis. Ties for first will be decided by a drive-off.
7. **Scurry Obstacle** Entrants to be driven over a course of un-numbered obstacles consisting of cones and balls, or the equivalent. After passing the start from any direction, competitors shall proceed at a trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon the completion of the course, the competitor must pass through the finish from any direction, where time will be taken. A five (5) second penalty will be assessed for the disturbance (i.e., dislodging the ball), of any part of any obstacle at any time while on course. Placing will be determined on a low total basis (time plus penalty seconds). In case of a tie for first place, a drive-off will determine the winner.

WELSH CHAMPION OF CHAMPIONS QUALIFIER

The C.E.F. Welsh rules for showing are to apply for these Championships.
All ponies and cobs must be registered. The owners or lessees of the said animal must be current members in good standing with the Welsh Pony and Cob Association of Ontario. Foals of the current year must be registerable with proof of registration by the final judging. These championships are open to any registered Welsh Pony or Cob in Canada or the United States of America, provided that they meet the above-mentioned criteria for showing.

Champions will be picked from the following categories:

A. 2 Year Old and Under - Colt, Filly or Gelding: Section A, B, C, and D.
B. Yeld Mare/Brood Mare: Section A, B, C, and D.
C. Stallion/Gelding: Section A, B, C, and D.

Judging will be done in the following manner:
The 1st Place Foal from Section A, B, C, D; the 1st Place Yearling from Section A, B, C, D; and the 1st Place 2 Year Old from Section A, B, C, D: will be judged together and the winner will be considered the 2 year old and under Champion of that particular show. This winner will be the qualifier that goes forward for the final judging at the Royal Agricultural Winter Fair in November 2019.
The same criteria will be used for the Yeld Mare/Brood Mare Division and the Stallion/Gelding Division, with the following exceptions for Sections B, C, and D only: Should the Yeld Mare/Brood Mare and/or Stallion Gelding classes be combined at any of the qualifying shows, or should the 2 Year Old and Under class be combined, the 1st and 2nd Place ribbon winners will advance to be judged for the Best Yeld Mare/Brood Mare; Best Stallion/Gelding; or Best 2 Year Old and Under of that show.
Once an animal has qualified for the finals of the WELSH CHAMPION OF CHAMPIONS, it is no longer eligible to compete for a berth in the final qualifying class. In the regular line classes, if the pony(s) ahead of you in the placing has previously qualified for the WELSH CHAMPION OF CHAMPIONS, you are eligible to move to the qualifying class at that show. Each Champion going forward to the finals at the Royal Agricultural Winter Fair will be expected to sign a letter stating that they will be present at the Royal Agricultural Winter Fair for the final judging of the WELSH CHAMPION OF CHAMPIONS.

Land of the Silver Birch
Home of the beaver
Where stilll the mighty moose
Wanders at will
Blue lake and rocky shore
I will return once more

Close to the water's edge
Silent and still
My heart grows sick for thee
Here in the low lands
I will return to thee
